Introduction

My name is Bill Phan and I'm a designer and an aspiring software developer with a passion for the web, technology, and interaction design.

In 2016, I graduated from Portland State University with a B.S. in Graphic Design. Shortly after graduating I enrolled at LaunchCode pursuing an education in computer science, information technology, and full-stack development.

Education

Full-Stack Web Development
LaunchCode, Portland
Mar. 2017 – Sept. 2017

Bachelor of Science in Graphic Design
Portland State University
